## Directions

- 1) Print your invitation message. Follow the instructions on the invitation kit box or visit [gsquaredtemplates.com](http://gsquaredtemplates.com) for best results. Sample uses High Tower Text font in brown ink.
- 2) Cut 20" strip of ribbon. Tie a knot toward the bottom of the ribbon where the first set of beads will be located. String the first three beads and tie a knot at the top of these beads to keep them from moving up the ribbon. Repeat the process with the other beads.
- 3) Wrap the ribbon strung with beads around the card and secure on the back with double stick tape.
